Antique Set of 3; Vintage Leather Sofa and Pair of Arm Chairs

Remeniscent of a time when men would go to smoking lounges for private conversation, this set of vintage leather sofa and club chairs would set the scene there. The aged leather has taken on a purpleish hue, with the seat backs darker than the seats. Age related wear to the vintage leather includes some crackling and scuffs, additional scrapes and scuffs to the wood as well. Notice the backs of all 3 pieces in the set have a tan leather.

This pair of vintage club chairs and sofa set is part of our “un-restored” collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
