Pair, Antique White Painted Narrow Benches from Sweden

While benches were a traditional item to be found across the Swedish countryside, this is an unusual find as it is a Pair of matching benches that are also very narrow at only 22" deep. The original white paint has been distressed and worn by years of use, adding to the vintage country charm of the pair.

This pair of white painted benches is part of our “un-restored” collection and is being sold in "as is, used" original condition, how we found them in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
