## English Oak Calendar Grandfather Clock, circa 1800-1840

English oak tall case grandfather clock also known as a calendar clock. Notice the face of the moon rising above the number 12. The turned columns and heavily carved crown add a stately elegance to this clock that stand at almost 7 1/2 feet tall. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. Any original clock works remaining will be included with the long case but they are not in working condition. You are welcome to contact us directly if you would like to learn more about this clock or other items, we will be happy to assist you further.
