## Pair of Antique Original White Painted Stools from Sweden

This pair of simple country stools have a naturally distressed original white paint, giving them an authentic vintage feel. Made of pine, these two will make great extra seating or even side tables thanks to the architectural feel of the accent under the seat or table top. The pair is being sold in as is, original used condition as we found them in Sweden. We invite you to contact us with any questions regarding this or other pieces, and hope to assist you further.
