Carved Oak Corner Cabinet from Sweden, circa 1840

Note the graceful carved details in each panel, including the canted sides of this lovely corner cabinet. The rich patina of the natural oak has deepened over time, as this beautifully hand-crafted corner cupboard was built in the early 1800's. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
