## Antique 19th Century Mahogany Chest of Drawers / Highboy from Denmark

This wonderful highboy has 7 drawers which showcase the flame mahogany that one finds mesmerizing when seen in person. A key is used as the drawer "pull" which was traditional with this Danish style of highboy from the mid 1800's. This chest of drawers breaks down into 2 pieces to making shipping and installation easier. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
