Antique 18th Century French Oak Chest of Drawers with Hand Carved Details

Beautifully hand carved flowers, leaves, vines and flourishes abound on each of the large 3 drawers of this solid oak chest of drawers from France. The passage of time has created a deep, rich patina in the wood as well. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
