Antique Swedish Cabinet With Original Green Paint Dated 1820

There is a tremendous amount of detail in this exceptional original painted cupboard from Sweden. Hand-painted flourishes abound with garlands of leaves and flowers, and the date of 1820 in the center bonnet. While the cupboard shows the wear of age in abrasions around the surface and residual white chalk paint, the elaborate paint along the panels, drawers and bonnet remain impressive. This cupboard is sold in as is condition as we found it in Europe.
