## Set of Six 19th Century Antique Swedish Dining Chairs

The classic lines bring sophistication to this set of 6 birch dining chairs. The turned legs and gently curved back splat add a touch of grace to the Swedish styling of these side chairs. The upholstered seats are easy to re-upholster with a contemporary fabric which will bring new life to them as well. This set is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
