Antique 19th Century Danish Chest of Drawers Painted Gray

Antique neoclassical chest of drawers from Denmark, circa 1800 with a light gray painted finish. Where the paint has been distressed, the dark wood underneath offers a nice contrast and enhances the carved details. The three drawers are fully functional and glide easily. The brass hardware is not original and has been added recently. Please take a moment to enlarge the photos and examine the details up close.

- Price: \$3,850.00
- Year/Circa: 1800
- Origin: Denmark
- Color: White
- Dimensions: 35w x 21.75d x 35.25h
- Item #: 20794
