Antique Danish Biedermeier Mahogany Sofa with Heavily Curved Arms

If you are looking for dramatic impact, this original Biedermeier sofa will do just that with its heavily curved and carved arms accented by the carved motif along the back. The mahogany itself sets a classic and elegant tone in this stunning settee that currently has its original crushed pink velvet fabric. The seat is easy to re-upholster with a more contemporary fabric if so desired. This item is being sold in as is, original used condition as we found it in Sweden. We invite you to contact us with any questions regarding this or other pieces, and hope to assist you further.
