

Antique Danish Pine Hanging Cabinet

This sweet pine hanging cupboard was a traditional item in a Swedish country home or farmhouse. With no built in cabinets at the time, a cupboard like this allowed for a bit of extra storage. Today, it could serve well as a bathroom cabinet or even jewelry box (as it can stand on a counter as well). This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
