Pair, Antique Carved Mahogany Armchairs from Denmark

This style of classic mahogany arm chairs were often seen in smoking salons in turn of the century Europe. The easy curves and carved arms and feet create a sense of refined taste and comfort, while allowing the beauty of the mahogany to stand out. This pair is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found them in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
