Antique Chinese Red Lacquered Sideboard

Beautiful and versatile, this painted Chinese lacquered cabinet has a lovely aged patina with hints of lighter red and amber beneath a time worn, dark red paint whispering of years gone by. The lacquered finish is highly polished giving the paint incredible depth, with the interior painted black behind the two bi-fold doors. Please take a moment to enlarge the photos and examine the details up close. This piece can be used as a sideboard, buffet, or cabinet serving various purposes.
