Antique Red Lacquered 2 Door Chinese Armoire

The tapered sides and heavy panels of both the front and sides add visual intrigue to this large and striking armoire from China. Spacious interior storage runs the complete length of each of the 3 shelves, with 2 easy sliding drawers below. There are many areas where the deep red paint was worn/distressed down to the natural wood below which creates additional dimension and aged character. A traditional lacquer finish completes the stunning 7' cabinet beautifully and it is ready to be installed and enjoyed upon arrival.
