Antique Folk Art Painted Single Door Armoire

This captivating armoire is a lovely example of Eastern European country craftsmanship from the mid 1800s. The deep, rich patina of the worn dark green paint in this pine armoire is due to its age. Please enlarge and examine the close up photos to appreciate the beautiful, original painted panels on the door displaying an exquisite array of red and yellow flowers. We can add shelves or hanging rod for small fee, please inquire if this is of interest.
