## Antique 18th Century Large French Chestnut Chest of Drawers

This stunning large chest of 4 drawers has dramatic curves and beautiful hand-carved details to accentuate the romantic lines of the chest. The deep, rich patina of the chestnut is captivating after 200 years of use. If you appreciate French provincial styling, this chest of drawers brings beauty, grace and function together. Notice in the photos that there are 2 smaller drawers across top while the bottom two drawers are long. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
