Antique Gray Painted Danish Grandfather Clock

This charming Danish grandfather clock was crafted in the traditional early 19th century Scandinavian style. The new, light gray paint is slightly distressed creating the perfect contrast with the darker pine underneath and enhancing the delightful carved molding and architectural details. Please take a moment to enlarge the photos and examine the sweet details of this lovely clock. Any original clock works remaining will be included with the long case but they are not in working condition.

This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
