Vintage Original Oil Painting of a Flight of Geese, Knud Edsberg

The exceptional detail and use of light evokes the sounds and feel of geese taking flight from a marsh in this original vintage painting. The flock flies through the rays of the rising sun, diffusing the light and highlighting the clouds above and marsh below. The canvas is mounted in a contemporary gold painted wood and gesso frame and signed Edsberg 77 in the lower right - Danish artist Knud Edsberg (1911-2003).
