Antique Swedish Biedermeier Chest of Drawers, circa 1830

Antique Biedermeier chest of drawers from Sweden, circa 1830. Made of pine and covered in a vibrant birch veneer, this chest features contrasting black molding, block feet and a pair of pillars with brass capitals flanking the three lower drawers. The dresser is sturdy with a beautiful polished finish and all four drawers function well. Please take a moment to enlarge the photos and examine the stunning birch and other fine details.
