Antique Hand-Made Wooden Bucket

This rustic, cooper made water bucket is made from tapered and beveled wood staves held together by iron hoops. A "cooper" was the craftperson who makes barrels or buckets. The hoops are driven down tight to hold the staves together in a strong circular bucket. Notice this bucket also has a raised handle on the rim as well.

- Price: \$225.00
- Year/Circa: 1880
- Dimensions: 20w x 20d x 24.75h
- Item #: 32356
