Original Antique Blue Painted Cabinet Cupboard from Sweden

For those that appreciate the lovely hues of hand-painted antiques from the Swedish countryside, this original blue painted cabinet is a special find. It has aged gently over the years, resulting in a softly distressed patina than only comes from years of use. Where the paint has been worn off, the warm natural pine is revealed adding to the character and depth of this fine example of Swedish craftsmanship. Please enlarge the photos to appreciate the lovely original colors, delicate flowers, and warm pine interior of this exceptional Swedish painted cupboard.
