Antique Tall Original Blue Painted Sideboard from Sweden

While blue was a traditional paint color used in Swedish antiques and cabinetry, it can be difficult to find original painted pieces due to their ongoing popularity. This lovely pine sideboard is special find due to the original blue painted finish and its unique, taller height. The single drawer over two panel doors with half-trim down the sides reveal the traditional style of Scandinavian sideboards or cabinets throughout the 1800's.

- Price: \$1,450.00
