Antique White Painted Secretary Bureau from Sweden

The graceful lines of this secretary or "bureau" reveal its Swedish country heritage. The addition of a white painted finish also compliments its Swedish styling as well. The romantic curve of the upper bonnet is reflected in the carved panel doors while curves continue all the way to the base as well. Petite interior drawers are a traditional element to any Scandinavian secretary, but this one reveals a "special touch" with 6 curved smaller drawers accenting and flanking 6 medium size drawers. The desk top drops down and rests firmly on 2 strong arms, so this secretary provides able space to use as a functioning desk as well.
