Antique Rustic Work Table With Drawer and Shelf, Good Small Island

The perfect aged patina of the pine is reflective of the many years of use in this wonderful work table from Sweden. Loaded with character, notice how the scratches, dings, minor cracks and knot holes all add to the vintage feel of this fun table, which could serve as a great small kitchen island as well. This side table is being sold as is, allowing the buyer to finish it to their specifications or keep in original condition.
