Pair of Armoires, Pair of Nightstands, Pair of Beds & Vanity Antique Suite Set

It is rare to find a complete, original painted antique suite set of this size and quality. The two large armoires reveal the highly stylized hand-carved elements with leaves, garlands and faces flanked with turned columns. The same hand carved details are repeated in the vanity with mirror, pair of nightstands and the pair of beds (each with headboard and footboard). Specific dimensions for each item are below. Please call or email if you have immediate questions. This large bedroom suite is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we discovered it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
