Antique Original White Painted Swedish Drop Leaf Table

This wonderful drop leaf table has the original white paint perfectly distressed over years of use, adding to its enduring charm. With the leaves dropped, it is a mere 14.5" deep making a narrow console table, but fully opened it expands to 71.25" long. This table offers great versatility, whether as a kitchen table, console, extra table for childrens' school work and crafts, or multiple other options. This table is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
