Antique Original Hand Painted Green Small Trunk With Flowers, Dated 1798

Original green painted box or small trunk with traditional flowers of red and yellow. Dated 1798, imagine the treasures and stories it has stored through over 200 years of use. The wear as seen along the top and interior is expected for its age and does not detract from the function nor appeal of this delightful old trunk. It is the small size combined with the exceptional painted details that make this a special find. This trunk is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
