## Antique Original Painted Swedish Gustavan Bench

It is the soft, dove gray paint that has been rubbed and distressed over time that adds both character and grace to this lovely gustavian settee or bench from Sweden. Notice the hand-carved details that add a romantic touch to the bench as well. The upholstered back and seat are in need of new upholstery which will give new life and purpose to this lovely Swedish bench. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
