Antique Blue Painted Small Console Sideboard from Sweden

This delightful sideboard is made even more charming by its small size, allowing it to be used in a variety of spaces. The soft eggshell blue paint is gently distressed all over, adding grace to its age. This small blue console is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
