## Antique Original Blue Painted Bench with Storage

Bright and cheerful, this 6' bench has hidden storage under the hinged seat which was a traditional element in this style of bench throughout the 1800's in Europe. Unique to this pine bench is the 5 compartments one discovers inside, perfect for organizing family belongings if so desired. The festive blue paint is all original, while the distress and wear of the years simply add to its vintage appeal. This bench has been lightly sanded and restored (including the separation of planks one sees in the bench seat). It is quite heavy/solid, stable, strong and ready to be used and enjoyed.
