Antique Gray Painted Very Narrow 3 Door Cabinet Bookcase

To find narrow wall cabinets can be a challenge, that is why this antique bookcase is such a great find. At only 7.5" deep, it will store and display your favorite collectibles or books equally well. The gray painted finish is complimented in the interior with a clean white painted finish, which lightens the look and will show off whatever items you choose to place inside. Notice the 3 narrow glass doors which add to the visual interest of this display cabinet.

This gray painted bookcase is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe. You are welcome to contact us directly if you would like to learn more about this or other items, we will be happy to assist you further.
