Antique Original Green Painted Swedish Mora Clock

It is the gentle curves that grace this clock which reveal its Swedish country origin from the famous region of Mora. While the hand-painted finish is original, we estimate the circa date to be 1840-60 vs. the date one reads of 1755. The dark green paint is accented with trim of deep brick red along with flower garlands and bouquets in addition to the monogram of "NBL." Any original clock works remaining will be included with the long case but they are not in working condition.

Before you purchase this item, we need to inform you it is being sold as is, in original condition how we found it in Europe. Please review photos carefully as it is not restored; there may be missing pieces, extensive wear, etc. We invite you to contact us with any questions regarding this or other pieces, and hope to assist you further.
