Antique Swedish Pine Gate Leg Drop Leaf Table

It is the wonderful worn pine that has taken on a deeper patina through years of use that draws one to this gate leg table from the Swedish countryside. Notice old stains, rings, scratches, water marks etc that reflect the generations who have sat, dined, worked and conversed over this table. The drop leaf feature allows it to be used in a variety of ways and would be perfect behind a sofa as a slender console table. While closed, the depth is a mere 9.75", but it opens to extend in length to 60.5" wonderful to pull out for extra dining or party time. This drop leaf table is being sold in as is, used condition as we found it in Sweden. Please inquire if you have any questions or require further information about this or other items in our collection.
