## Antique Pine Farm Table Work Table/Console from Sweden

This pine farm table provokes thoughts of comfort and ease of a family gathering around to eat, talk, and share their day together. The natural pine top reflects the generations that sat here in every nick, scratch, old worm holes, etc. The original green painted base creates a wonderful contrast to the natural pine top making this work table or console a special find. This table has been restored and waxed, so it strong/stable and ready for use.
