## Antique Primitive Slab Wood Console Table With Iron Accents

Every crack, deep gouge and scrape of this old work table add to the amazing character one sees in it. In person, you are drawn to run your fingers along the aged wood top. At some point in its long and well-used life, someone added iron straps to each end for additional support, which now provide an industrial "edge" to the rustic console table. The square, splay legs were a traditional style of the period. This table has been restored and waxed so it is strong, stable and ready for use. Table top is 20" deep and 29" deep at the spread of the splay legs.

- Price: \$1,250.00
- Year/Circa: 1880-1900
- Origin: Hungary
- Color: Pine
- Dimensions: 67.75w x 20d x 29h
- Item #: 32689
