Vintage Leather Loveseat and Pair of Club Chairs, Set of 3

This handsome loveseat and pair of small scale barrel back club chairs are a great find for one searching for an authentic vintage leather set. The rich brown leather is accented with piping and cabriole legs. While there are minor/expected scuffs to the leather and feet, some sagging of fabric under the chairs, etc. overall this set is in very good vintage condition. The leather will likely benefit from simple cleaning /conditioning. This set of 3 vintage sofa and chairs is being sold in as-is, used condition as we found it in Europe. Please inquire if you have questions regarding this or other items in our inventory.
