## Vintage Hand Carved Wood Sculpture of Rhino from Africa

Imposing and impressive, this wood sculpture of a rhinoceros will create a powerful presence in any room. Examine the photos to appreciate the hand-carved details including his mouth, feet and horn. While there is an age-related crack (seen in photo #9) and minor wear/scratches, these are all commensurate with age and add to the authentic vintage appeal of this solid wood carved rhino (wood type unknown).

- Price: \$1,850.00
- Year/Circa: 1960-80
- Origin: Africa
- Color: Brown
- Dimensions: 28.5w x 9d x 21h
- Item #: 22500
