Antique French Bleached Oak Long Sideboard

This long sideboard shows off its French style in the carved panels and lovely details along the skirt and drawers. The bleached finish gives it a fresh and welcoming look for today's modern home. Typical separation of planks, signs of cracks, etc are commensurate with age, please enlarge photos of top, side and front panels for clear understanding. This sideboard is being sold in as is condition, as we found it in Europe; the drawers run smooth, it is solid/stable for use.
