Antique Large Drop Leaf Dining Table With Carved Base From Germany

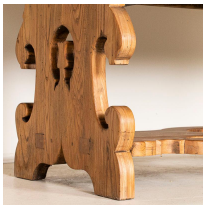

It is the delightful carving that catches ones eye in this large oak drop leaf table. The curvaceous base with cut out circle and tulips carved out at the ends are enchating. At almost 7' long, it invites one to sit and linger. When opened (each leaf rests on two wood "wings"), this large drop leaf table is 53.5"w providing easy seating. For use as a console or smaller table, the two leaves drop for a 30" depth. Highly versatile as well as functional, this large dining table is a wonderful find. This drop leaf table is part of our “un-restored” collection and is being sold in "as is, used" original condition; how we discovered it.
