Large Antique French Gold Gilt Mirror

This stunning gold gilt mirror is almost 7' tall and is crowned with carved flowers and flourishes. The sides and lower corners are accented with elegant effect. There is expected age-related wear as seen where the gilt has been worn off, chipped or cracked revealing the plaster layer below. This large and heavy French gold gilt mirror is being sold in as is, used condition as we found it in Europe. Please inquire if you have questions regarding this or other items in our collection.
