Antique Set of 3 Large 12' Tall Vintage Original Green Painted Doors

Massive and majestic, this set of 3 doors soar over 12' tall. The green paint is all original, accenting the heavy carved accents that embellish the doors. Please examine the photos closely to understand condition, wear along the bottom, etc. Old vintage doors make an impressive and unique addition to modern homes and are sold in as is, unaltered condition as we found them in Europe. Missing/broken items, cracks, separation, uneven edges, minor losses are age-related. This rare set of extremely large doors is part of a remarkable collection currently in our inventory; see other door listings for additional options while available.
