## Antique Rustic Thick Slab Wood Console Table

It is the thick, rough hewn natural wood top that one finds intriguing in this rustic console table. It originally served as a work table whether for carpenter or butcher resulting in the deep gouges, marks and distress of the top including a chunk out of the edge that simply add to its rich character. Notice at one point in generations of use someone added a piece of metal in the shape of an "S" to fortify the side. All four square splay legs are strong, yet still maintain their primitive appeal. This console table has been restored, waxed and is ready to be used and enjoyed daily.

- Price: \$1,450.00
- Year/Circa: 1890-1920
- Origin: Hungary
- Color: Pine
- Dimensions: 59w x 22.75d x 33.5h
- Item #: 33050
