## Antique Gateleg Wake Drop Leaf Table With Drawers from England

This attractive gateleg dining table is also known as an English wake table with drop leaves. Notice the deep patina of the dark oak, aged and naturally distressed over generations of use and the 2 narrow drawers, one on each end of the table. The large oval shaped top has 2 drop leaves, so when closed it serves as a 28" deep console table. Please examine the close up photos to appreciate the richness of the wood; the old scratches, nicks and marks mix with the wood grain adding depth of character. When fully opened, the attractive turned legs showcase the large table that will allow 8-10 guests to sit comfortably. This oak wake table has been restored, is strong/stable and ready for use.

- Price: \$2,850.00
- Year/Circa: 1940-60
- Origin: England
- Color: Oak
- Dimensions: 78.25w x 67.25d x 29.75 h
