Pair, Antique Gustavian Gray Painted Demi Lune Side Tables With Faux Blue Painted Marble Top, Sweden

This lovely pair of antique demi lune tables are from Sweden, circa early 1800's. Note the perfectly tapered/fluted legs and lovely skirt with applied carved details adding a romantic touch. Both these side tables are finished with a (newer) light gray paint and soft blue painted faux marble top (a traditional element) all slightly distressed which provides the perfect compliment to their Swedish styling. This beautiful pair of demi-lune tables have been restored and are ready to be placed and enjoyed.
