Antique Original Blue Painted Louis XVI Tile Top Side Table from Sweden

The original blue painted finish compliments the simple lines of the fluted tapered legs which carry upwards through the apron in this traditional Louis XVI side table from Sweden. The enchanting top is comprised of 35 individual antique blue and white glazed tiles. While the majority of the tiles reveal old cracks, they are all solidly in place. An original Swedish tile table such as this one is a special find, especially with such striking and vibrant colors. Please take a moment to enlarge the photos and examine the details up close. Where the paint has been gently distressed over generations of use the natural pine wood is revealed below the paint. This table is strong/stable and ready to be placed and enjoyed.
