Vintage Rustic Slab Wood Splay Peg Leg Coffee Table

The thick slab top draws one to this rustic coffee table due to the heavy distress seen in every scratch, crack and gouge that came from years of constant use(likely in a butcher's shop). Note the rich patina to the wood in the close up photos. There is a slight bow to the top with the peg legs positioned to balance it, all lending a slightly quirky, authentic vintage vibe to this coffee table. This rustic splay leg coffee table has been restored, lightly sanded, and waxed so it is strong, stable and ready for use.
