Antique Dutch Baroque Commode Chest of Three Drawers

This striking baroque chest of drawers with brass key escutcheons is from Holland. The remarkable color is a newer, professionally applied painted finish with layers of cream, brick red, salmon all combining for a beautiful look of aged grace and patina. The curved bombay front is carried down through the 3 drawer fronts and rests on impressive large carved ball and claw feet. Professionally restored, this chest is strong, stable and the drawers function. Any scratches, cracks, dings, or age related separation are commensurate with age and do not detract from the beauty nor function of this lovely piece. Two keys are included to use as pulls to open the doors (locks do not function).
