Pair, Gustavian White Arm Chairs, Sweden circa 1910

This pair of Swedish arm chairs have a gently curved barrel back and slightly turned out arms, adding to the graceful appeal of each.

Fluted legs and decorative carving embellish the skirt.

The newer professionally applied white layered painted finish has been gently distressed fitting the age of these lovely arm chairs.

Wood frame is restored, strong/stable.

Signs of wear including nicks, dings, scratches and worn patina are a reflection of generations of use and do not impact the function nor beauty of this pair. Simple linen upholstery on back and seat with deconstructed look and feel; staples and stitched seams visible throughout. Can easily be re-upholstered at discretion of buyer.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.

Seat Height: 22"
