Original Brown Painted Bench with Storage, Hungary circa 1900's

Original hand painted folk art pine bench displays traditional brown faux wood background and colorful floral motif. Back has 3 decorative spindles, slightly curved armrests and hinged bench seat revealing interior storage. Restored, cleaned and waxed, this bench is ready to use and enjoy. Any nicks, scratches, dings, cracks, age related separation (including bottom of storage area) are signs of generations of use and do not detract from the function of the bench. As seen in photos, there is a slight raised "lip" to the front left corner of the seat which does not impact function /ability to sit on the bench. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed. Seat Height: 20.25"
